## COVID-19 Hotline 1300 846 236

Manage. Mitigate.  
Move Forward.

We are starting to see the real negative financial impact that the Coronavirus (COVID-19) is having on the retail industry. It is extremely important that retail owners act quickly in assessing the likely financial risks that COVID-19 may cause to their business. As turnaround and restructure experts, Vincents have partnered with the National Retail Association to help members put into place strategies and solutions to face these challenges.
