

ACTIVE ARMED OFFENDER EMERGENCY RESPONSE

If you hear the Armed Offender alarm sound, or believe such an event to be underway,
STOP what you are doing and:

1. ESCAPE

If it is safe to escape, **ESCAPE** to the nearest emergency exit, quietly and quickly.

Encourage your team & customers to exit with you.

2. HIDE

If it is **NOT** safe to escape, **HIDE** in silence out of sight.

If it is safe to do so, lock up your store, switch off lights, and encourage your team & customers to hide. Turn all phones to silent and do not post on social media as it may give away your position.

3. TELL

When you are in a safe position, call 000.

Tell authorities where you are & what you have seen.
Follow all centre management and police instructions.
